Eco-Friendly Club has empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behavior. It's also empower students to explore environmental concepts and actions beyond the confines of curriculum. While everyvine, everywhere, asserts the importance of learning to live sustainably, environment remains a peripheral issue in the formal education system.

Objectives of Eco Friendly club

- 1) Motivate the students to keep their surroundings green and clean by undertaking plantation of trees:
- 2) Educate students to create awareness amongst public and sanitary workers, so as to stop the burning of waste which causes respiratory diseases. Sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains and sewers, cause water logging and provide breeding ground for mosquitoes.
- 3) Organize tree plantation programmers, awareness programmers such as quiz, essay, painting competitions, rallies, nukkad natak etc. regarding various environmental issues and educate children about re-use of waste material & preparation of products out of waste
- 4) Campaign against use of loud speakers, motivate students not to use crackers and fireworks, recycling of glass and metals, use of unnecessary horns. Action based activities like tree plantation, cleanliness drives both within and outside the campus .
- 5)Action based activities like tree plantation, cleanliness drives both within and outside the campus.
